# CALL FOR STARTUP <sup>1</sup><sup>ST</sup> COHORT FOR SZABIST INCUBATION CENTRE

**Incubation Time:** Up to 12 Months

**Workspace:** Gain access to contemporary, fully-furnished office facilities, featuring meeting rooms, high-speed internet and tailored amenities catering to startup requirements.

## WHY JOIN SZABIST INCUBATION CENTRE SERVICES

### **Startup Ecosystem:**

The SZABIST incubator helps you in building a network of resources — people, investors, institutions and companies — that works together to create an environment for startups to thrive.

### **Startup Fundamentals:**

We guide you to understand the difference between things like Problem, Solution, Market and Monetization.

### **Mentoring & Industry Expert:**

SZABIST Incubation may help your startup to grow faster under the guidance of Mentors and Industry Expert and convert your business idea into accelerator.

### **Corporate Registration & IP:**

We will help your startup to register with renowned corporate entities and IP Registration.

### **Prototype Development:**

SZABIST Incubator will help you to understand your problem statement and accordingly built a functional prototype and finally test iterate, learn and improve it.

### **End user product:**

Facilitates the conversion of prototypes into end-user products and attracts attention from both the market and investors.

### **Financial Modeling:**

The robust financial planning and modeling provided by SZABIST Incubation can lead to the sustainability of startups.

### **Pitch Deck support:**

We will support you in creating a pitch deck to strategize your entry into the market.

### **Funding Outreach Strategy:**

SZABIST helps create a strategic investor outreach plan for successful fundraising.

### **Investor outreach:**

We support your startups in reaching out to potential investors and seizing business opportunities.

### **Funding Round:**

The Incubation helps you in Funding Round such as Seed Funding and Angel Investing for your startups.

### **Startup Fundamentals:**

Your startup into accelerators that provide strategic advice and expert mentoring from seasoned professionals, as well as business training opportunities.
